REACH CONFORMITY DECLARATION

On basis of declaration of its providers, we certify that our products are designed and manufactured respecting REACH regulation (CE NO. 1907/2006, December the 18th, relative to the Registration, Evaluation, Authorization and Restriction of Chemicals, restrictions)

We confirm that our article have no intentional release of substance.

- Respect the restrictions and prohibitions of Annexes 14 and 17 of the EC Regulation NO. 1907/2006.*
- Do not contain SVHC (« Substance of Very High Concern ») listed on the candidate list for authorization (Update of 16 January 2019 lists 197 substances) exceeding concentration 0.1% m/m.*

Our Society:

- Has all the elements relating to this declaration and is able to present them to the administration within the legal deadline.*
- Agrees not to deviate from the requirements set out in this document without informing previously customers of these changes in writing. All new or revised products will comply with this conformity, unless opposite agreed.*
- Have obligation of "due diligence" to meet these legal requirements.*
- Agrees to update compliance statement in case of regulatory developments (especially with the publication of a new version of SVHC list) and to automatically communicate the new version to the client.*
